We can currently mold magazine carriers for the following pistols

- Glock 9mm/.40 S&W
- USP Compact 9mm/.40 S&W
- Springfield XD 9mm/.40 S&W

If your gun/caliber is not on this list, **we can mold the carrier to one of your magazines**. We have yet to find a pistol magazine that exceeds the envelope that our blanks cover – and in case we do, we'll custom make one. We recommend that you ship your mag insured.
